## LINKEDIN for Nutrition Nurses

### Why use LinkedIn?

- ✚ Build a robust professional network
- ✚ Raise your professional profile, showcase your profile, and find your dream job
- ✚ Create opportunities for **you**
- ✚ Enhance your nutrition nursing knowledge
- ✚ Stay up to date
- ✚ Get career support from like-minded individuals
- ✚ Follow and connect with potential employers

### How to join LinkedIn:

- ✚ Visit linkedin.com
- ✚ Click 'join now' and follow the sign-up process
  - *If you have a google account, you can use this for a quicker sign-up process.*
- ✚ Once your profile is created, complete your professional profile which can include but not limited to information regarding your employment history, education history and skills you want to showcase.
- ✚ Using LinkedIn, you can build your CV, find potential jobs, post a job and more.
- ✚ Once your profile is created, using LinkedIn's search function, join 'National Nurses Nutrition Group' or 'NNG'.

### Why join NNG on LinkedIn:

- ✚ To share new research and publications
- ✚ To share educational events
- ✚ To connect with other nutrition colleagues
- ✚ To find employment in nutrition nursing
- ✚ To use the platform to open discussions with like-minded individuals
